

## CHURCHLANDS ESTATE – TAIGUM (STAGE 1,2,3)

### Project Information

Client:	PD Corporation
Consulting Engineer:	ETS Consulting
Location:	Church Road, Taigum
Project Value:	\$1.6M
Project Duration:	20 weeks

### *Project Scope*

The construction of a 3 Stage Mixed Density Residential Development including a Residential Development to Stage 1 and High Density Townhouse Developments to Stages 2 and 3.

### *Project Challenges*

The project involved the construction of works in a low laying area with poor foundation material types. The program of works required progressive hand over of section to the Managing Builder to enable client sales targets to be met.
